

Legends at Lunchtime

WE NEED OUR HOME GROWN SUPERHEROES!

**Inspire us with your passion.
Help us to achieve our aspirations just as you have.
Be our *Legend at Lunchtime*....**

During the winter terms Trinity College will be asking former students to give us 30 minutes one lunch time to share their career journey with our current upper school students. Many students don't get the chance to be "up close and personal" with career mentors, especially mentors who understand where the students themselves are coming from.

**You are uniquely qualified to do this...
Can you come to our rescue?**

The format will be a small informal group, and over sandwiches.

If you can spare just one lunch time,
please call Kevin Johns on 9325 3655 or e-mail johns.kevin@trinity.wa.edu.au.
